

**SkillsUSA Kentucky Adopts
American Cancer Society in recognition of former
State Director Steve Phillippi
GOAL: \$10,000**

SkillsUSA Kentucky state director Steve Phillippi retired August 31, 2011 because he has cancer. In recognition of what he has done for SkillsUSA Kentucky, we are adopting the American Cancer Society (ACS) as a statewide community service project.

In addition to keeping him in your prayers, we humbly ask all of our SkillsUSA Kentucky Chapters to help us reach a goal of raising \$10,000. Of that amount, \$5,000 will be donated directly to the American Cancer Society in his name. The other \$5,000 will be split up into 20 - \$250 Steve Phillippi scholarships for our SkillsUSA Kentucky members.

A check will be presented to the American Cancer Society at the 2012 SkillsUSA Kentucky State Conference. And, Steve Phillippi scholarships will also be awarded during state conference.

*Eligibility for scholarships will be determined using a donation formula. Each school that makes a donation will be eligible for (1) one scholarship. In addition, the number of eligible scholarships for each school will be determined by the amount of the donation. More information regarding number of eligible scholarships can be found on the SkillsUSA Kentucky Website:
<http://www.kytech.ky.gov/SkillsUSA%20Kentucky%20Page.htm>*

Make checks payable to "SkillsUSA Kentucky." In the "for" area of the check, put ACS-Steve Phillippi. All donations must be received prior to the state conference (March 15, 2012). Mail checks to:

*Fran Dundon, SkillsUSA KY Interim Director
Office of Career and Technical Education
20th Floor CPT
500 Mero St.
Frankfort, KY 40601*

We thank you for your consideration of this worthy endeavor and hope that all of our SkillsUSA Kentucky chapters will participate in making this project a complete success. (Created: September 2011)
